**VII. Instructions for Completing Application**

**General:** Electrical work shall not be started until the application for permit has been filed with the Lake County Building Department. All installations shall be in conformance with the Michigan Electrical Code. **No work shall be concealed until it has been inspected.** The telephone number for the inspector will be provided on the permit form. When ready for an inspection, call the inspector providing as much advance notice as possible. The inspector will need the **job location** and **permit number**.

**Where to Submit Application:** The Lake County Building Department is responsible for code enforcement throughout Lake County. Permit applications for county issued permits should be sent to the address on the front of this application. If you are not sure whether a state permit or a local permit is appropriate, contact our office. Questions regarding county issued permits may be directed to the Lake County Building Department at 231-745-2722. Code questions **may be directed to the Electrical Inspector at 231-745-2722.**

VALIDATION AREA

**Expiration of Permit:** Permits are valid for units of 180 days, and can be extended as needed in units of additional 180 day increments with a processing fee of \$75.00 each extension.
